PREAMBLE

At the onset of the COVID-19 pandemic, the Pitt Meadows Arena Complex was instructed by the Office of the Chief Medical Officer of Health for the Province of British Columbia and the City of Pitt Meadows to close the facility on March 16, 2020 to the public until further notice. These instructions have been adhered to and a Phased Re-Opening Plan has been created to document all protocols and guidelines for patrons and staff to adhere to. This document has been created by Scott Mosby, General Manager of the Pitt Meadows Arena Complex. The plan will be constantly monitored by all facility Managers with the General Manager having final authority to revise. It is of paramount importance when re-opening to mitigate both potential exposure to the COVID-19 virus and liability to the facility.

COVID-19

“The novel coronavirus (SARS-CoV-2), also known as COVID-19 is highly transmissible via respiratory droplets. As of May 1, 2020, there are 30,104 confirmed cases of SARS-CoV-2 in Canada, 1531 (5%) are in persons less than 19 years of age. Twenty-two persons (1%) have been admitted to hospital, and two (<1%) have been admitted to the ICU nationally, without any fatalities.¹ Complimentary data from the United States shows that of 2,572 children with confirmed COVID-19, the mortality was 0.1%.

There is evidence that physical activity, in the form of organized sport, is beneficial for the physical health, cognitive function, and mental health.” (West Vancouver Minor Hockey Association, "Restarting Minor Hockey during the COVID-19 Pandemic, May 7, 2020)

It's important to understand that this is not “business as usual”. We are venturing into a “new normal” with these procedures. Our goal is to create a safe and healthy environment for staff and users by making the necessary adjustments to help limit the risk of exposure to COVID-19. We are confident that by adhering to the above noted policies and procedures, while continuing to work with ViaSport, the Provincial Health Office and the City of Pitt Meadows that we can safely remain open and operate the **PITT MEADOWS ARENA COMPLEX.**
