

# The Langley Sportsplex PHO Vaccine Passport COVID Guidelines

The following are mandatory guidelines that are in effect as of September 13<sup>th</sup>, 2021,  
By order of the PHO vaccine passport mandate:

Please view the full mandate online at <https://www2.gov.bc.ca/vaccinecard.html>

**\* Masks are mandatory within our facility (except on the ice, which is at the discretion of each group) \***

As per the new regulations for Vaccine Passports required for Recreation Facilities, the Sportsplex is implementing the following rules for adult hockey leagues or rental groups.

This includes all players, coaches, spectators, that are 22 years and older.

**(Exemption:** All youth and parents attending youth sports will not be required to show proof of vaccination, as long as spectators remain less than or equal to 50 people.)

**1.** All league/team managers will be required to ensure that anyone participating in their leagues have provided proof of vaccinations to the league. This will need to be documented by the league in case proof is required at a later date.

This will be the league and team's responsibility as the Sportsplex will not be checking at the door.

**2.** All adult groups, teams and casual rentals will need to do the same for their groups.

**Anyone found not complying with the new rules will be expelled and will not be given a refund.**

Please help us ensure that your group or league will maintain good standing and continue to operate out of the Sportsplex while these new rules are in place.

Thank you for your understanding,

Bud Pope  
General Manager Sportsplex
